

West Linn-Wilsonville School District 2019 Bond Proposal

Estimated Project Costs, Details & School by School Project Lists

If Passed, the Total Proposed Capital Improvement Investment: \$206.8 Million

Renovate & Repair Aging Building Systems District Wide
Est. \$13.25 Million

Safety & Security
The proposed projects would include school building renovations for secure school entrances; classroom lockdown hardware; shelter-in-place curtains; and intrusion-limiting glass. Those improvements would be made for all 16 WLWV schools
Est. \$15.25 Million

Upgrade & Update Technology
Upgrade technology and technology infrastructure throughout the District
Est. \$18 Million

Relieve Crowded Classrooms, Plan For Growth at Secondary Level
Relocate and expand Arts and Technology High School to the Athey Creek Middle School site to accommodate enrollment growth and increase Career and Technical Education opportunities

Relocate and build Athey Creek Middle School to the District-owned Dollar Street property in West Linn
Est. \$88 Million

Relieve Crowded Classrooms, Plan For Growth at the Primary Level
Build a new primary school on the District-owned Frog Pond property in Wilsonville to accommodate enrollment growth
Est. \$39 Million

Increase stadium capacity and the building of additional parking at West Linn High School
Est. \$8.3 Million

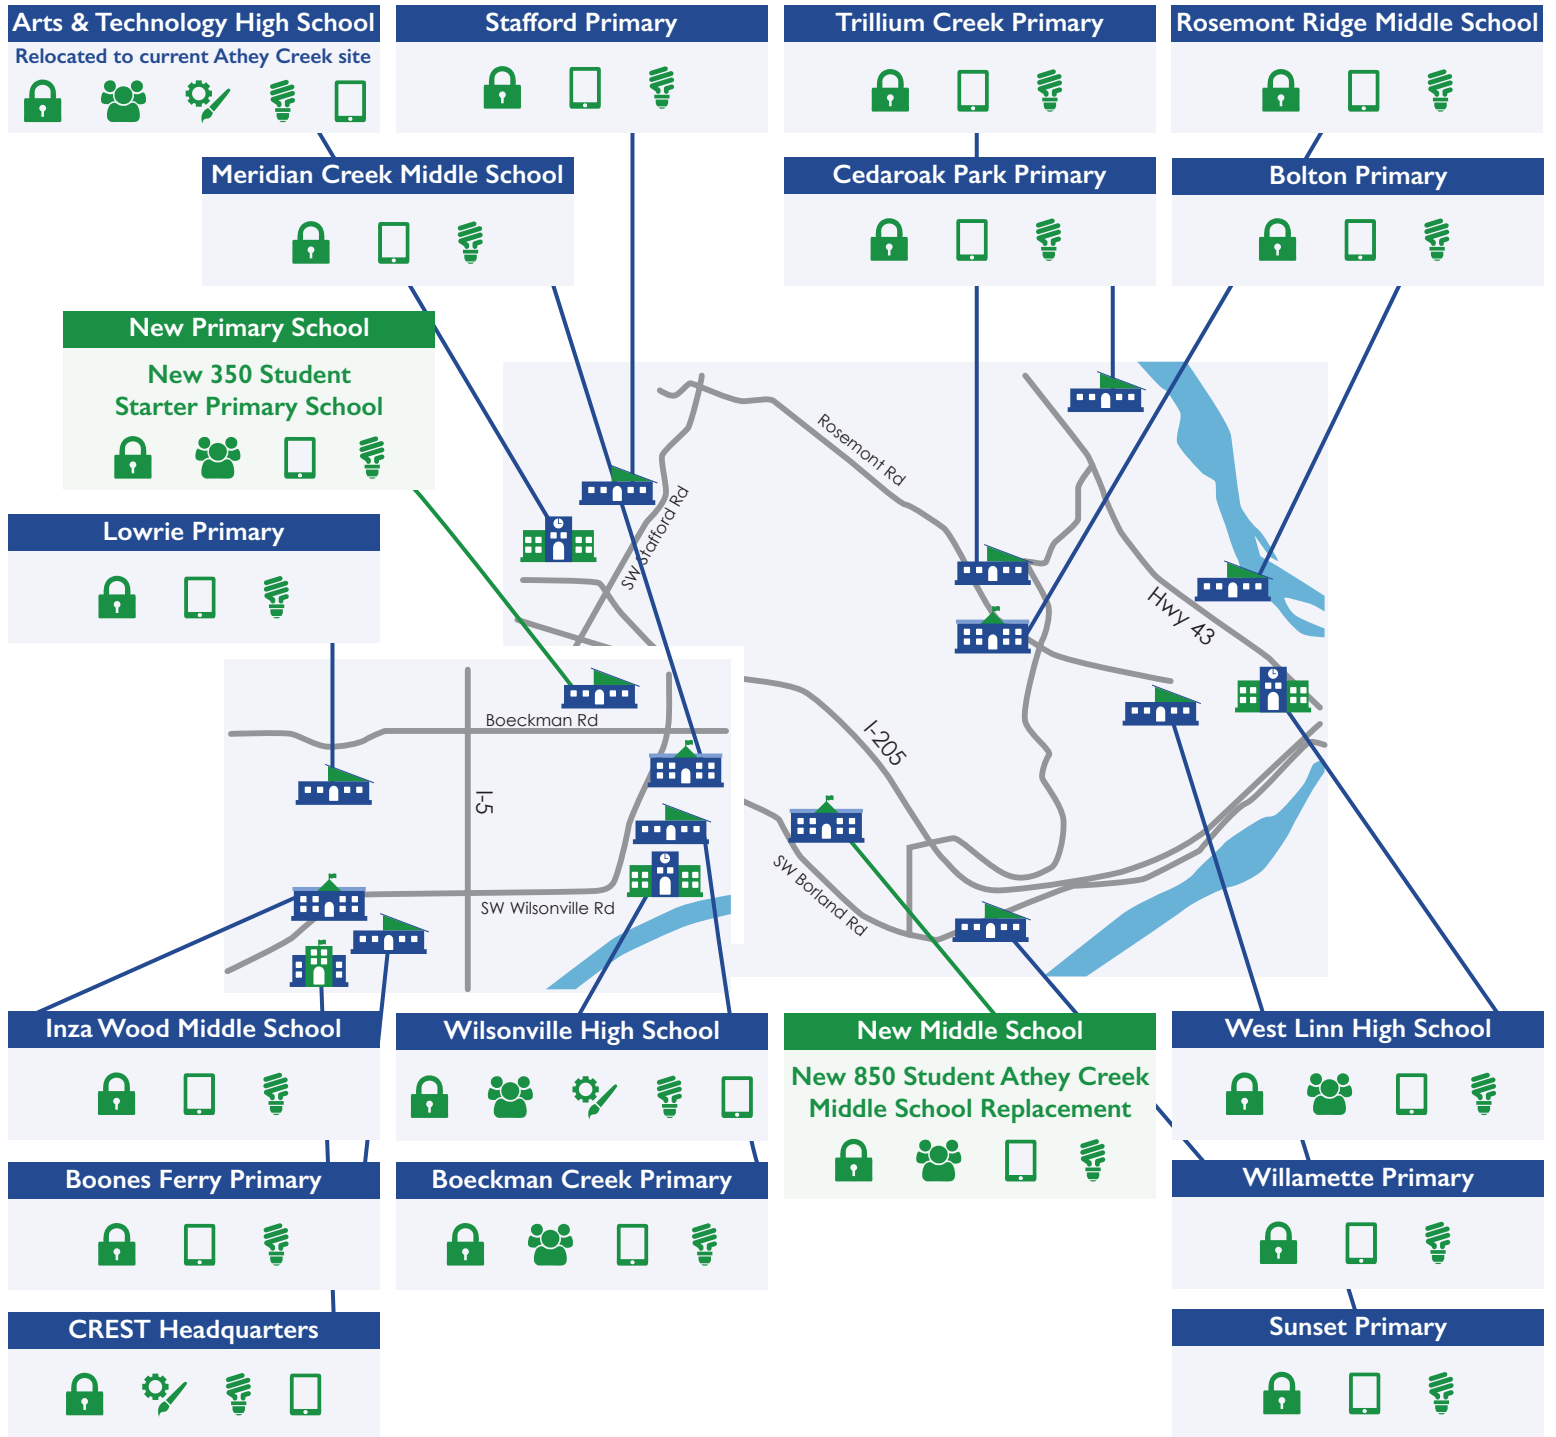

Expand Access to the Arts
Wilsonville High School auditorium addition
Est. \$25 Million

If passed, the bond and levy would

- Maintain Current Tax Rates**
The current levy rate of \$1.50 per \$1,000 and current bond rate of \$3 per \$1,000 assessed value would remain unchanged if both were passed.
- Provide Independent Oversight**
An independent citizen Bond Oversight Committee would monitor the progress of the bond, issue regular reports and ensure that projects are being managed responsibly.
